It was with heavy hearts that we said goodbye in July to the Franciscan Spirituality Center’s first director, Kathleen Kenkel, FSPA.

Sister Kathleen died Saturday, July 18, 2020, at age 91. She was in the 70th year of her religious profession. Up until her move to Villa St. Joseph in October 2015, she had resided on the third floor of the FSC and was a frequent participant at many of our programs. We especially benefited from her friendship and wisdom as part of our Journey Toward Wholeness cohort.

Sister Kathleen officially began her duties as director in December 1984. At the time, she said she hoped her community would be “opening our doors to all who seek to enhance their lives through the pursuit of wisdom, goodness and beauty.”

She was last interviewed by the La Crosse Tribune for a front-page story in December 2014. She and current Director Audrey Lucier reflected on the (then) 30-year anniversary of the Center.

“I think it has opened up people’s mind and hearts that spirituality is for the whole being—not just retreats and silence and prayer, but the whole body and mind,” she told reporter Mike Tighe.

Sister Kathleen grew up on a farm in Iowa with seven siblings. After her father died, her mother remarried, expanding that sibling count to 16. She taught elementary, junior high and high school. She earned a bachelor’s degree in English from Viterbo College (University), a master’s degree in English from Marquette University and a second master’s degree in theology from Notre Dame University. She also served as director of religious education at Sacred Heart Religious Education Center in Palos Hills, Illinois, and ministered in the Religious Studies Department at Viterbo.

As her obituary rightly pointed out, she is remembered as a true mystic. “Sister Kathleen inspired me to read about and delve deeper in understanding the movement of Spirit,” recalled Rosalie Hooper Thomas, FSPA affiliate, spiritual director and former FSC program coordinator.

“Her enthusiasm, kindness and most interesting conversations were a gift when she would volunteer during my programs at the Center. I am sad at her passing but am grateful for her continued presence in my life.”

Indeed, Sister Kathleen’s influence continues to be felt at the FSC. May she rest in peace.
When I returned to the Franciscan Spirituality Center this summer, it seemed frozen in time. Books for Lent, St. Patrick’s Day decorations and posters for our March events, Overcoming Challenges with Grit and Grace and Art Dash, were on display. March prayer booklets and newsletters were still sitting out.

Although the building has been closed to the public, we are in the process of reopening it. This is a challenging task, but we are so grateful to be back in the building! However, because COVID-19 is still with us, we will have to operate a little differently.

We are monitoring the La Crosse County Health Department’s guidelines. When the risk level permits, we will welcome guests back into the building by appointment. We will follow the county’s recommendations for the risk level, which tell us the size of gatherings and other precautions to take. If all goes well, we then will reopen the Sophia Bookstore. We are also keeping a separation between the FSC and St. Rose Convent, and have asked staff, residents and visitors to observe the boundary between the two zones.

Despite the pandemic, renovations at St. Rose continue and are on schedule. Soon, remodeling will begin on the lower level for new FSC offices and meeting rooms. Next spring, work will begin on our bedrooms and a new handicap-accessible entrance. The project should finish about a year from now, but there will be inconveniences to get through first. For example, we will be unable to house guests overnight at the FSC until remodeling is complete, as our bedrooms are temporarily being used by Franciscan Sisters of Perpetual Adoration.

Somewhat surprisingly, we’ve been very busy since the pandemic hit. We just completed our first-ever all-virtual practicum for the students training to become spiritual directors. Our spiritual directors and program presenters have successfully moved to virtual meeting rooms. People from all over the country have been able to join us for these programs.

It’s been a difficult year, and we want to remind you that we have and will continue to be here for you. Remember, if you’d like to participate in a program or talk with a spiritual director but are concerned about the cost, we can help. Call us at 608-791-5295; your request will be held in confidence.

Peace and all good,

Audrey Lucier, FSC Director

“It is only by grounding our awareness in the living sensation of our bodies, that the ‘I Am,’ our real presence, can awaken.” - G. I. Gurdjieff

During difficult times—personally, socially, globally—we often rely on our spiritual practice to provide direction and answers. This virtual retreat will focus on our spiritual resilience without having to have answers. It is not about having the right answers; rather, it is about discovering the correct questions. Our time together will include discussion about spiritual resilience and virtual small-group breakouts to explore and discuss the question “What is being asked of me?” We will end our time with an immersion into the sound of Tibetan singing bowls.

**CHEERING FOR THE GOOD: LEADING WHEN IT MATTERS (VIA ZOOM)**

**OCTOBER 1, 8, 15, 22 • Thursday, 6:30-8 p.m.**

Presenter: Karen Lueck, FSPA
Investment: $50 for entire four-week series
Registration deadline: September 25

In this time of chaos, pandemic and violence, many people feel helpless and afraid. They want to make things better, but they don’t know how. So, too often, they look to others to do something. But what is really needed is for all of us to trust our own goodness and leadership potential. Each of us is called to step up and influence the world toward the common good, one act at a time. During this four-week series, participants will reflect on and discuss what makes a good leader, remind ourselves that we have much to offer, decide who we want to be as people in the future and cheer for the good wherever we find it to bring about this desired future for ourselves and for our planet.

Karen Lueck is a Franciscan Sister of Perpetual Adoration. She has spent much of her life recognizing and encouraging the goodness in herself and others. For more than 40 years, as a teacher, principal, pastoral counselor, spiritual direction supervisor and leader in her congregation, she acted as a cheerleader for the people with whom she ministered. Her book, Cheering for the Good: Leading When It Matters, continues this outreach on a larger scale.

RISING STRONG FOR SPIRITUAL DIRECTORS

A CONTINUING-EDUCATION EVENT FOR SPIRITUAL DIRECTORS BASED ON THE RESEARCH OF BRENÉ BROWN

CHOOSE NOVEMBER 19-21 OR DECEMBER 3-5
Thursday, 6:30-8:30 p.m.; Friday, 6:30-8:30 p.m.; Saturday, 9-11 a.m. and 1-3 p.m.
Presenters: Steve Spilde and Deb Hansen

Registration deadline: November 15/November 30
Millions of people worldwide have been touched by the work and books of research professor and author Brené Brown. Her pattern of the Reckoning, the Rumble and the Revolution as outlined in her book, Rising Strong, is a helpful template for the work we do with many of our directees in spiritual direction. We will look at the power of shame and the fear of vulnerability. Understanding these powerful forces will add great insight to our work as spiritual directors.

Each event will be limited to 14 participants.

THE CHRISTMAS STORY IN THE GOSPEL OF LUKÉ

DECEMBER 15 • Tuesday, 7-8 p.m.
Presenter: John McHugh
Investment: $10
Registration deadline: December 14
Many of us are familiar with the story of Jesus’ birth in the Gospel of Luke. The actual text is even quoted line for line by Linus at the end of A Charlie Brown Christmas. Even though we have heard the story dozens of times, there are many details that are often overlooked that bring much deeper appreciation and meaning. Join John McHugh as he explores those details and what they mean for us today.

John McHugh is the director of corporate communications, leadership development and training for Kwik Trip Inc., based in La Crosse. Prior to joining Kwik Trip in 2004, John was an instructor and principal at Aquinas High School in La Crosse. He has earned degrees from the University of St. Thomas in St. Paul, Minnesota, and the Gregorian University in Rome, Italy. John serves on the boards of Trust Point, National Mutual Benefit Society, Viterbo University and Mayo Clinic Health System in La Crosse.

Depressed Anonymous continues to meet every Monday, from 5:30-6:30 p.m., by conference call. This is a 12-step group for those dealing with depression to generate positive energies, form friendships and find support. If you are interested in participating in this free meeting, please call Gayle at 608-406-7990.

We are always adding new online experiences. Be sure to check our website, www.FSCenter.org, and Facebook page @FSCenterLaCrosse for updates.
Welcome, Teresa!

Please help us welcome the newest member to the FSC Board of Directors, Teresa Clark! Teresa brings to the table extensive marketing expertise and leadership skills, which she has honed through her longtime employment with Kwik Trip Inc. We’ve gotten to know Teresa through her enrollment in our Spiritual Direction Preparation Program and are excited about her commitment to our mission.

“The Franciscan Spirituality Center has been and still is a place of comfort, peace, warmth and joy for me,” she said. “The programs that I have participated in have allowed me to grow spiritually in a way that I am comfortable with. I have always admired the diversity of programming available and the center’s impact and presence in the community.”

Teresa lives in Onalaska with her husband, Ryan, and two daughters: Alicia, 9, and Alison, 4. She has many years of community involvement and currently is vice president of The Parenting Place’s board of directors. She previously served on the board of Special Olympics Wisconsin and has been a member of Rotary Club of La Crosse After Hours and English Lutheran Church Marketing Committee. She spent many years working with Kwik Trip’s internal coworker charity, Families Helping Families.

Teresa earned her bachelor’s degree from University of Wisconsin-Stout and her MBA from Viterbo University. She has a blue belt in karate; other personal interests include cross stitch, reading, exercise, baking and spending time with her family.

Best wishes, Elizabeth!

Our dear friend and co-worker Elizabeth Kapanke left our staff in late July to work with her husband in their family business. We already miss Elizabeth’s sunny demeanor and helpful nature, but we know Andy is keeping her busy and putting her skills to good use. Elizabeth worked in bookkeeping and hospitality.

“Elizabeth had two important areas of responsibility at the FSC,” Director Audrey Lucier said, “so she was an important member of our team. I know that her faith and her family are very important to her. Her faith showed up in the caring, kind way she interacted with guests and staff. I’m glad she will be able to help out her family in her new job.”

Elizabeth started her administrative duties with the FSC in August 2015 but had been part of the housekeeping staff of the St. Rose Complex since February 2012. At the time, she told us she was drawn to the FSC for its peaceful and friendly environment. She certainly contributed to that while she worked with us. We wish her peace and all good in this new venture!

Grit & Grace

OVERCOMING CHALLENGES WITH

It’s not an exaggeration to say we’ve all had to show grit and grace in the midst of this global pandemic.

We were disappointed to postpone our second annual women’s conference celebrating resilience and faith but are excited to present it to you in a virtual format. We’ve lined up the same amazing speakers and will still gather together — just in a way that ensures everyone’s health and safety. We hope you will join us!

Though we won’t be able to provide lunch and snacks, we invite you to brew a cup or two of your favorite tea to sip as you listen to these inspirational women share their stories. (This time of year is typically when we would have our annual tea party event, but we’re adjusting as needed.)

Our keynote speaker will be Kao Kalia Yang, a Hmong-American writer, teacher and public speaker based in Minneapolis.

Kalia will reflect on her spiritual journey into writing. She comes from a people who are new to what is written; a long time ago, the Hun Chinese outlawed the Hmong written language. The women and girls tried to hide it in their clothing. Hmong women are celebrated the world over for their embroidery, but few know it was once a vessel for their stories, histories and lived experiences. Kalia’s talk will address the questions: What does it mean to reclaim something that is no more, in an entirely new language, in a new land? and How does her own journey help situate herself in the pains and sorrows of others, and speak to their fears and faith?

ADDITIONAL FEATURED SPEAKERS

LISA MCCORMICK • TOMAH

As the parent of a sex trafficking victim, Lisa has made it her life’s purpose to share her family’s story so others understand the dangers of trafficking and how easily our vulnerable children can get caught up in it. Lisa’s son, Jeffrey, was recruited into a sex trafficking ring out of Madison and exploited until his death, at age 17, in September 2016. Her faith and her desire to spare other families the tragic consequences of trafficking, drug addiction and bullying put her on the path of advocacy. She frequently speaks to schools, churches and other groups on how to recognize and help at-risk youth. She is a member of the Wisconsin Anti Human Trafficking Advisory Council and is featured in the Wisconsin Department of Children and Families documentary film about youth sex trafficking in Wisconsin. Lisa walks alongside parents, grandparents, caregivers and all others, giving hope that they are not alone in this journey.

SARAH JOHNSON • WINONA

Sarah is a licensed professional counselor and has more than 25 years of experience working in the prevention, youth development and counseling fields. She is the mental health director at the La Crosse Area Family YMCA and will be speaking as a human being who happens to be a mental health professional. Incorporating some mindfulness practices into her talk, Sarah will share about what led her to integrate mindfulness into her professional and personal life and the profound impact it has had on her quality of life.

CAROLYN BOSTRACK • LA CROSSE AREA

Carolyn is a fierce mother of three, corporate leader, author (F.I.E.R.C.E: Transform Your Life in the Face of Adversity, 5 Minutes at a Time!), motivational speaker and life and business strategist. Carolyn’s life story is one of personal and professional transformation. From standing in a food line at the Salvation Army to earning her doctorate, Carolyn’s life purpose is to provide hope and inspire people to move from fear into focus. As she writes on her website: “While my past has a permanent stamp on my life, it doesn’t define me. My past trauma and abuse has positioned me to develop and leverage my grit so that I can serve other women who want to transform their lives, too.”
Art Dash rescheduled to March 25, 2021

Our signature fundraiser brings together artists and community members in a celebration of beauty and creativity each spring. We were disappointed that COVID-19 necessitated we postpone Art Dash, but we remained hopeful that we might still be able to gather this fall. At this time, we’re not confident we can ensure the health and safety of our guests given the size of this event, so we’ll see you March 25, 2021, at The Cargill Room at The Waterfront Restaurant and Tavern for food, fun and fine art!

We will honor all tickets already purchased and will have more available as we get closer to the date. If this rescheduled date doesn’t work for you, please call 608-791-5295 for a full refund. Visit us online at www.FSCenter.org/artdash for updates and a look at the available art. We have 90 pieces up for grabs and a few surprises in the works!
