

INNOVATIVE.
FLEXIBLE.
LIFE-CHANGING.

SDPP prepares people to serve in the role of a spiritual director, but many graduates express appreciation for the gifts of the program that extend far beyond a certificate:

- They were grateful for the opportunity to deeply examine their beliefs and explore where they were being led to grow.
- They discovered an invitation to connect with God in new and more personal ways.
- They experienced an awareness of the Spirit's presence in the beloved people of God.
- They treasured the strong and lasting relationships they developed with fellow members of their cohort.
- They found a supportive environment to examine the broken areas of their life leading to healing and more freedom.
- They were challenged to let go...again and again.
- They developed a greater capacity for remaining present to themselves and others in times of suffering.
- They nurtured a new appreciation for life and their place in the world.

It would be our joy to be in conversation with you.

SPIRITUAL DIRECTION PREPARATION PROGRAM

If you are interested in training to become a spiritual director or simply want to hone your deep listening skills, consider joining our program of spiritual formation. Founded in 1985, the Spiritual Direction Preparation Program provides a mix of workshops and real-life experiences to prepare individuals to share their redemptive listening skills in a variety of contexts within their communities. SDPP extends over 2-1/2 years, giving participants an opportunity to develop new capacities for deep listening.

SDPP IS DESIGNED FOR:

- Those who are older than 30 and drawn to a deeper understanding of spiritual direction/redemptive listening.
- Those who have not had formal training in spiritual direction.
- Those who have at least one year of experience meeting with a trained spiritual director.

SDPP PARTICIPANTS LEARN BY:

- Attending in-person and virtual workshops.
- Processing experiences with fellow participants.
- Practicing listening skills using monthly verbatims.
- Writing reflection papers on assigned books and articles.
- Receiving personalized support and guidance through regular meetings with their supervisor/mentor.

Participants process their growth through monthly meetings with their spiritual director and completing the individual retreat. Those who satisfactorily complete the program will receive a certificate of completion.

In order to provide personal flexibility while encouraging deep experiences of connection and community, SDPP includes a four-day, in-person gathering every year. The remaining weekends will be virtual by Zoom. Students are welcome to participate in the virtual weekends from home or they may opt to stay at the Franciscan Spirituality Center.

THE PROGRAM BEGINS IN SEPTEMBER 2026.

In-person workshops typically will begin at 1 p.m. Thursday and conclude by noon Sunday. Virtual weekends typically will begin at 6:30 p.m. Friday and conclude by 8 p.m. Saturday. The practicum is a six-day workshop that begins at noon Sunday and concludes by noon Saturday.

CEU's may be available. Check with the program director for more details.
